

**Amendments to the Claims:**

The following listing of claims will replace all prior versions, and listings, of claims in the application:

1. (Currently Amended) A magneto-optical body comprising:  
two dielectric multilayered films and a magnetic film provided between the two dielectric multilayered films, wherein the two dielectric multilayered films comprise two types of dielectric films alternately laminated with each other regular in thickness and wherein the one dielectric film has a refractive index of three or higher, and the other dielectric film has a refractive index of ~~less than two~~ SiO<sub>2</sub>.
2. (Canceled)
3. (Previously Presented) The magneto-optical body according to Claim 1, wherein the one dielectric film is Si, and the other dielectric film is SiO<sub>2</sub>.
4. (Previously Presented) An optical isolator comprising the magneto-optical body according to Claim 1.
- 5-6. (Canceled)
7. (Previously Presented) An optical isolator comprising the magneto-optical body according to Claim 3.
8. (Previously Presented) The magneto-optical body according to claim 1, wherein the one dielectric film is Ge, and the other dielectric film is SiO<sub>2</sub>.
